Exercise Classes

AQUA FLEX ~ Get your workout wet in this non-impact, medium intensity class held in the pool. If you are new to exercise, pre or post natal or a non-swimmer, invigorate yourself in Aqua Flex! Expect cardio movements to strengthen your heart combined with muscular strength work for your muscles.

BARRE TECHNIQUE ~ Sculpt and lengthen your muscles in this unique, ballet-inspired sculpting class. Using a ballet barre for the majority of the class, Barre Technique also rounds out your workout with arm and core work, leaving you with a lean, sleek dancer's physique.

LESMILLS BODYCOMBAT ~ Is an empowering cardio workout where you are totally unleashed. This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines including Karate, boxing, Taekwondo and Muay Thai. With driving music and a master instructor, strike, punch, kick and kata your way through calories to superior cardio fitness.

LESMILLS BODY PUMP ~ Get the kind of legs SHORTS want to wear with bodypump - the original barbell class that strengthens your entire body. This 60 minute workout challenges all of your major muscle groups by using the best weight-room exercises like squats, presses, lifts and curls. Great music, awesome instructors and your choice of weight inspire you to get the results you came for - and fast!

CORE CONDITIONING ~ A combination of sculpting, functional training & Pilates Mat.

EXPRESS CYCLING ~ A 30 minute abbreviated spin class. Perfect for beginners and anyone looking for a quick efficient workout.

FAT BURNER ~ This high energy, multi-impact class works at a medium intensity to ensure that your workout burns the most calories of any of our main studio classes. Expect to sweat, smile and shrink those fat stores! Class finishes with calisthenics and ab work.

INTERVAL TRAINING ~ Alternating between stepping, light weight work and hi-lo aerobics this challenging class will keep you sweating and will help you rev up your metabolism for the entire day!

INTERVAL CYCLING ~ Our regular spin class with the addition of intervals of hand weight sets. Strength work to compliment the cardio benefits of spinning.

PILATES MAT ~ (Regular or on-ball) Based on the teachings of Joseph Pilates, this is a great workout designed to strengthen all the core muscles of the trunk-the entire abdominal system, lower back, upper back, glutes and shoulders. All levels can participate, as modifications are given for beginners, intermediate and advanced. Work deep into the "belly" of these all important stabilizing muscles. Great for problem backs! Come with bare feet.

PILATES with RINGS ~ Bump up your Pilates Mat training to the next level! Rings increase resistance for Faster and More Targeted Zoning of Core Muscles.

PUMP & PEDAL ~ No time to do it all? Well now you can, with our new Body Pump/ Indoor Cycling combo class! You'll start in the main studio with 5 barbell tracks, focusing on upper body strength. Then you'll hit the indoor cycling studio for a 30 minute express ride. It's the fastest track to well rounded fitness yet! Sign up 60 minutes prior to class at the front desk.

INDOOR CYCLING ~ Multiply the cardio benefits of stationary cycling by trying this group exercise class set to motivating music and instructor guided terrain. Sign up at the front desk 60 minutes prior to class.

SPORTS CIRCUIT CHALLENGE ~ This cardio class moves you quickly through a variety of stations that the teacher sets up. It combines aerobic segments and strength segments to give you a challenging heart-pumping workout that will tone your muscles as you train your heart. Prepare to sweat!

ZUMBA ~ Fuses hypnotic Latin rhythms and easy to follow moves to create a dynamic workout system that will blow you away. Bring dance shoes if you have them, otherwise, sneakers are fine.

YOGA Class Descriptions

EXPRESS YOGA ~ Do you think you need 90 minutes in order to practice yoga? Not always! Express Yoga moves you efficiently through a series of standing and seated poses designed to mentally revitalize and physically awaken

VINYASA YOGA ~ A dynamic flow class with an uplifting heart oriented philosophy blending the science of biomechanics, alignment principles and balanced action between muscular strength and flexibility. Challenging, but modifications are given, making it appropriate for all level students.

WARM YOGA ~ Emphasis will be on grounding and sustaining of postures, producing internal heat and supple strength.

YOGA on the FOAM ROLLER ~ this unique class incorporates the foam roller for deep tissue release and muscular lengthening. If you have muscular tightness or aches and pains, this is the yoga class for you.
