## Lap Swim Rules & Etiquette

- If no one is waiting to lap swim - swim as long as you like.
- If someone is waiting to lap swim, it is **mandatory** that you circle swim. Please be courteous and allow others into your lane. For members that refuse to circle swim, you will have to get out of the pool and wait for a lane to open up.
- There is a **30 minute swim limit** when there is someone or others waiting to swim. **The 30 minutes does not start when the person is standing on the pool deck waiting. The 30 minutes applies to the members that are already swimming.**
- Sportsplex staff may not lap swim if members are waiting to get into the pool.
- Swimming is great for your body and your mind. The only thing that can make it unpleasant is a fellow member that refuses to share the lane or swims longer than 30 minutes when someone is waiting. Please let us know if you experience problems as Sportsplex reserves the right to terminate the membership of anyone that is rude or cannot follow the rules.
